**TWINSULATION**  
makes drafty rooms snug and comfortable...

In fact, Gold Bond Twinsulation installed in your attic not only keeps your room warmer in winter, it also keeps them cooler in summer.

The fire-safe rock wool, an excellent insulator itself, together with the full aluminum reflective blanket surface provide a double barrier against the passage of heat either way. Wherever the blanket faces a minimum 3/4" air space, its surface reflects back radiant heat.

So you see, Twinsulation keeps heat where you want it all year round—outside in summer, inside in winter. Makes your home more comfortable; pays for itself in permanently lower heating and cooling bills. Simple to install.

HERE'S THE ONLY GLADES FOOTBALL TEAM that went undefeated in the 1958 season. A first for Lake Shore High, the near-perfect season was marred by two ties. Only 21 opposing points were scored by two teams as the Bobcats took the county and conference crown. Inset cuts are backfield men Quarterback Ira Wilson (lower left), Halfback Alfred Eggleton (upper left), and Halfback Eddie Coleman. (lower right) the team's leading yardage man. Other seniors (front row) are Arnold Murph, Melvin Lockett, James Nash and Willie Freeman. Second row (l-r) Willie McDonald, Clover Coffey, James Leonard, Johnny Rowe, Ishai Corbett, James Johnson, Charles Doherty, Eddie Monroe, Charles Wilson, Albert Barber and George Golden. Back row: Coach Ben McCoy, Richard Vickers, Willie Anderson, Willie Webb, James George, Eddie Gainer, L. J. Jordan, Jack Boatwright, Larry Glover and Johnny Johnson. Not shown: John Powell, Harold Richardson and Willie Singleton, backfield coaches, and Abbotson Sutton, line coach.

## Bobcats Win 32-0 In Season Finale

The Lake Shore High School team remained undefeated and closed their 1958 grid iron season Friday night against Dunbar 32-0. The game was packed with electrifying thrills and some outstanding play by seniors in their last game for Lake Shore.

This gave the Bobcats an 8-0-2 record for the season having tied 0-0 with Mays High of Miami and 14-14 with Gifford High of Vero. They scored 251 points and allowed 21 opponent's points all season.

The Cats jumped to an early lead as they received the kickoff on their own 40. Rosaluis Huggley, the big fullback who ground out yardage all night, changed the pace and threw a 30-yard pass to Halfback Alfred Eggleton, who romped the remaining yards for a score before the game was 30 seconds old.

Late in the first quarter after Dunbar had punted to the Belle Glade 8, the Bobcats, with second-string Quarterback Eddie Gainer calling the plays, marched 92 yards for the second score. Most of the advance came from a 40-yard Gainer-to-End Larry Glover pass.

Quarterback Wilson didn't action until late in the third quarter. The Bobcats had punted to the Ft. Myers 20. Wilson's play calling led Lake Shore to the three where Huggley plunged over. Wilson sneaked the extra point.

Early in the fourth quarter Dunbar lost the ball on down on the Lake Shore 28 yard line. On third down and two, Wilson gave to Sophomore Back Willie McDonald who dashed 67 yards to score. McDonald's run was complemented by some mure than favorable blocking and Lake Shore got a good look at a young speed merchant who easily out-distanced any would-be tacklers. Wilson made the extra point again.

Late in the fourth quarter George Golden climaxed a 45-yard drive and went over from the five. Wilson scored the bonus marker.

Handicapped all evening, Dunbar never got inside the Lake Shore 27, and they gained only 30 yards on the ground and 68 in the air. Lake Shore got 319 through the line and 121 in the air as Gainer hit three of five tosses.

Those who contributed to the Dunbar losing effort included Robert Curry, Matthew Johnson, Carlise Wright and Clifford McCullum.

## Bobcat Cage Schedule Opens Dec. 15 Against Moore Haven Quintet

Lake Shore High School's basketball team began practice this Monday in preparation for their season which opens Dec. 15 at Moore Haven. Coach Ben McCoy announced this week.

The Bobcats will have five returning letterman, Eddie Gainer, Ira Wilson, Larry Glover, Butler Brown and Eddie Monroe, to help the team.

Joe Strawder, out last year with a broken knee, will aid the Cats net squared with his 6' 8".

Moore Haven fell last year in a Lake Shore record breaker 100-46, but McCoy said their squad was vastly improved this year. After the holiday recess the squad plays Okeechobee here Jan. 5 and Gifford here Jan. 7. Complete schedule of games was not ready for release this week.

## Seaman At Newport

Herbert Puch, seaman apprentice, USN, son of Mrs. Mary B. Simms of 505 S. W. Fifth St., Belle Glade, Fla. serving at the Naval Station, Newport.

## McCoy Honored At Conference Meet

Conference officials of the Southeastern Florida Athletic Conference met at Okeechobee Saturday to review football season and proclaim Lake Shore's Bobcats conference champs. Coach Ben McCoy was named Coach of the Year for the second straight year.

Gifford ended the season in second place with Ft. Pierce, Delray, Dania and Stuart next in that order.

On the statistic side of the ledger, we see that the Bobcats gained 2,216 yards rushing and 865 passing for the year. They allowed 394 yards on the ground and 337 in the air. Their biggest single game was against Melbourne with 361 rushing yards.

The best passing night was against Ft. Pierce with 133 yards gained and the best pass defense night was with Ft. Pierce when they completed no passes.

## Dedication Held For New Addition At Lake Shore

Official dedicatory ceremonies were held Sunday at 3:30 p. m. at Lake Shore gymnasium for the new building, completed through the work of J. S. Custer Construction Co. and local contractors who worked on the \$38,500 addition.

Completed buildings include the gymnasium, cafeteria, industrial arts and music buildings plus six new classrooms. Principal Charles McCurdy said Mrs. L. E. Taylor, president of the Lake Shore PTA presided.

After scripture read by Rev. B. A. Adams, St. John's First Baptist Church pastor, and the invocation by Rev. W. M. Brooks Ministry to Migrants, plus a selection by the school Glee Club, official greetings were extended by Mrs. D. M. Murrell, county PTA Council President.

Remarks were also presented by Mrs. O. H. Baldwin, Supervisor, Palm Beach County Negro Schools and school board officials.

James Allen, Lake Shore Student Council President, preceded the presentation of guest speaker, Howell L. Watkins, county superintendent, by H. O. Earwood, chairman of the school board. Watkins presented the keys to the additions.

After remarks by Principal McCurdy and other acknowledgements, the program closed with a selection from the school band and the benediction by Rev. O. D. Williams, New Bethel Baptist Church pastor.

## What It Means To Be A Christian

By Lillian Ludlow  
Christmas means the beginning of Christianity and Christianity is the gospel of love and kindness, a second chance for the world and the hope for peace.

As we try to live like Christian men and women, we realize that sin is a Christian's greatest enemy and that Christianity is no insurance policy against trouble. But the Christian life is the happiest, most joyful life of all because the life that Jesus Christ, the son of God, offers us certainly gives us true purpose in life.

God gives His Spirit freely to all men and through His Word He guides us in all our problems. To listen to the Word of God and pray sincerely that His will be done, to let Faith overcome fear, and grow in Grace each day of our lives, to live by the Ten Commandments and the Golden Rule, these are all great privileges and blessings that God sent to us through Jesus Christ our Savior over two thousand years ago.

During this Christmas season we can give of ourselves with gifts of the heart: love, joy, understanding, sympathy and forgiveness, and above all inspire others with a renewed Christian Spirit.

### Churches of Christ Scientist

The fact that God's care is ever present and available will be brought out in the Lesson-Sermon entitled "God the Preserver of Man" at Christian Science services Sunday.

Proof of this divine protection is emphasized in the Scriptural account of Elijah's sojourn in the wilderness (1 Kings 19). Passages from "Science and Health with Key to the Scriptures" by Mary Eddy Baker include this (243:4-8): "The divine Love, with made harmless the poisonous viper, which delivered men from mite boiling oil from the fiery furnace, from the jaws of the lion, can heal the sick in every age and triumph over sin and death."

The Golden Text is from Psalms 91:11: "He shall give his angels charge over thee, to keep thee in all thy ways."

### Why Hannukah?

The reason for the somewhat skeptical question is that the Talmudic Sages were not too enthusiastic about a holiday which was predicated upon military prowess.

The holiday has so many facets to its background and observances that its benefits can be limitlessly enumerated. Among the benefits of Hannukah observance we might list:

1. Hannukah reminds us of the "Fighting Jew." True it would be better if Jews were looked up to for their intellectual as well as their integrity. It is well for us to also remember that the Macabeans were a breed of Jews who were able to match their enemies on the battle field with skill.

2. Hannukah reminds us that Judaism is a source of good cheer. In religious schools children are given an uplift by their preparation for Hannukah and their celebration of it.

3. Hannukah reminds us that to be a Jew is to be optimistic. There are faiths that preach man's inability to escape from the shackles of fate. As the light of the candelabra increases from

night to night the ritual tells us that man has the ability to augment his strength and improve his lot.

4. Hannukah reminds us of the joys of generosity. The hannukah gifts can bring not only a glow of joy to the children, but they can prod us into a fresh realization of the gratification which comes from the habit of sharing what we have with others. Hannukah teaches us to judge a person by what he does with what he has rather than what he has.

## BIBLE

... THOUGHT

THE DAY OF DESPERATION

By Rev. R. O. Varnum

"The law and the prophets were until John. Since that time the kingdom of God is preached, and every man presseth into it." Luke 16:16.

We, as Christians need to be stirred, and we must be stirred, and stirred to the utmost. This is the day of desperation, when friction must cease, difference be dispelled and God's mighty power manifested. Away with bickering, fighting, strife and spiritual warfare among God's children. This is a day when the world is at its worst, and we must be at our best for Christ.

Let us be reminded of the endless eternity of the hell that awaits out there for the unsaved. Men are dying at the rate of eighty thousand a day. May God give us grace to stand unequivocally against sin. May He further inspire us to lift our voices in a cry of desperation that widespread revival may come to our lands, and that a mighty spiritual outpouring may be seen and felt.

Let us cry desperately, as Jacob did, when he cried, "I will not let Thee go (to the Angel of God) except thou bless me." As another example of desperation, look at the shunammite woman whose son had died. She was so desperately determined that she would not leave Elijah's side.

Let us cry desperately and press our way into the holiest of holies, where we can receive the touch of the old time power of God in our lives. Shall we not cry out for union in the power of God? Shall we not cry out for action in the power of God? Shall we not cry out for prayer which will make our desperate powerhouses for God and our ministers flames of fire.

## Ministerial Assn. Elects Officers

The monthly meeting of the Belle Glade Ministerial Association was held Monday, December 14th at the Community Methodist Church.

The following officers were elected for the year 1959: President, the Reverend U. W. Malcolm, Pastor of the First Baptist Church; Vice-president, Dr. J. Leighton Scott, Pastor of the Everglades Presbyterian Church; Secretary-Treasurer, the Reverend Robert N. Huffman, Vicar of the Episcopal Church of St. John the Apostle; Radio Chairman, the Reverend August Koerber, Pastor of St. Peter's Lutheran Church.

## Joy Gift Program, Yule Party Held By Presbyterian Women Of The Church

The home of Mrs. I. L. Price was the scene of the Annual Christmas party and Joy Gift program of the Women of the Everglades Presbyterian Church. Decorations including flower arrangements, using the holiday theme were used throughout the house.

A crystal punch bowl graced the dining table laid with a lace cloth, and an arrangement of poinsettias and Christmas candles completed the decor.

Mrs. J. Leighton Scott, introduced by Mrs. Tommy Parker, program chairman gave the devotional entitled, "For God So Loved The World," and also presented a Christmas story by Margaret Eggleston. Following the program, members and guests sang the hymn, "Joy To The World."

Mrs. I. L. Price, Joy Gift chairman, told the group the purpose of the joy gift and how the money would be sent to some 611 or more retired ministers and their wives and any disabled minister and his family. Orphans of ministers numbering some 150 are also aided by the joy gift.

Mrs. Lois Ruff, chairman, presided at the business meeting. The budget for the coming year was read and approved and recommendations from the board of directors were read and approved to divide the three circles into two night circles and two day circles.

The outgoing chairman, Mrs. Ruff turned the meeting over to Mrs. Richard Murray, chairman elect of the Women of the Church. She announced circle chairmen for the new year as follows: Circle 1, Mrs. Robert Lanier; Circle 2, Mrs. Basil Cook; Circle 3, Mrs. I. L. Price; Circle 4, Mrs. M. E. Ludlow. A list of names of the members was given each chairman and announcement of installation of officers of the group would be concluded Dec. 27 at 7 p. m. at the church.

A social hour was enjoyed and Christmas gifts exchanged. Mrs. Ruff was also presented a gift from members of all the circles. Delicious party sandwiches, frozen salad and other light refreshments were served, by the hostesses Mrs. Price, Mrs. John Randolph, Mrs. Urban Felsing, Mrs. Emmett Harris, Mrs. J. V. Wickham, Mrs. Hagan Powell and Mrs. John Kinlaw.

Others present were the Mesdames C. D. McClure, Dorothy Cumpton, Clara Simmon, C. E. Crichfield, W. K. Whitlock, Floyd Miller, Robert Gressinger, Clara Gledhill, H. J. Harris, R. E. Moter, Robert Lanier, H. C. Odum, Edward Allen, James Fraser, Jr., Al Harris, Robert Kunkel, Mae Bosworth, C. J. Suggs, Maurice Sigler, T. B. Robertson, Ruth Barron, Victor Riedel, G. W. Crews.

## Two Elected To Vestry Committee

# Everglades Federal

(Continued From Page 1)  
of \$25.  
When this association was organized, \$2,500 showing was enough to get a Federal charter; now it's \$750,000. The beginning line of credit was \$500; it's now \$3,100,000.  
The first five-year period, ending in '39 found a nine-times increase in assets; the second, in '44, 4 1/2 times the previous one; the third, in '49, six times over '44; the '54 ending period found a three-times increase over the immediate past five years, and the fifth five-year period finds a two-times increase over the last, and a 1,125 times increase over the original.  
Among the original Board of Directors, now active are Kenneth Lutz, L. C. Betzner, Frank Franz, W. G. Stang and C. M. Hermanson.  
In all of this, the public is cordially invited, with the reminder that this is a mutual operation - every depositor, every borrower is a stockholder and has voting rights. It is not for profit above actual operating expenses and a fair return to the depositor out of a fair interest and service charge to the borrower.  
This institution was the first in Palm Beach County, the 47th in the Nation and one of six in Florida now passed the quarter of a century mark in age.  
The success of this institution is a constant reminder to local folks that the ability to recognize opportunities as well as the know-how of what to do about it, is not an unusual condition and ability of HOME FOLKS!

## District Governor Visits Lions Club

District Governor Victor Seimet was guest speaker at the South Bay Lions Club Thursday night at the club's regular meeting.

Mr. Seimet gave an interesting talk on "What is Lionism?" in his talk he pointed out the fact that today there are 14,000 Lions Clubs in 91 countries making a total membership of 560,000. He stated that in Florida alone there are 282 clubs with 15,000 members. On a yearly average all these clubs take part in 172,000 charitable activities throughout the world.

President Charles Godwin presided.

Sharon Wilder Feted On 13th Birthday

Mr. and Mrs. Floyd Wilder complimented their daughter, Sharon, who is party in celebration of her 13th birthday Friday night at the South Bay American Legion Hall.

A Christmas theme was carried out in the hall decorations and a Christmas tree with red lights and bells graced the center of the serving table laid with a white lace cloth trimmed with blue.

Dancing and games provided the entertainment from 7:30 to 10:30 p.m. Helen Sloan was winner in a race game.

Following the opening of gifts by the honoree, refreshments of cake punch and candy were served. The large white cake was decorated with red rose.

Chaperoning for the evening were Mrs. Wilder and her daughter Miss Linda Wilder.

The guest list included Paul and Frances Ruby, Bertram and Kenneth Davis, Daphne and Betty Lou Henderson, Rebecca and Cecelia Mathis, Norma and Gladys Dalrymple, Laura Rogers, Neil Walker, Ginger Crichfield, Patsy Keene, Helen Sloan, Karla Mansfield, Corrin, and Minerva Gutierrez, John Crawford, Jo Ann Boatwright, Suzanne Willis, Nancy Goodbread, Gloria Mote, Troy Martin, Barbara Nelson, Helen Zywicki, Teresa Wilder, Jim Ponhot, Harry Marion, Billy Wall, Joe Miller, Gail Martin, Sandra Oyster, Buddy Farmer, Walter Leathan.

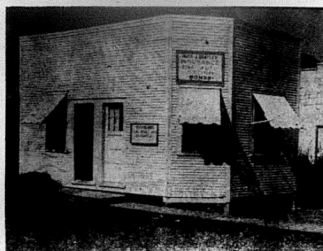

American Legion Turkey Shoot Clears \$7.00

Post Commander H. H. Walker reports the turkey shoot sponsored by the South Bay American Legion Post 161 was most successful with approximately \$700 cleared in the project. The post will also sponsor a turkey shoot at Christmas time. The commander wishes to thank everyone who made this a success. He also urged all members to attend the next meeting of the post Dec. 16 at the Legion home.

THE EVERGLADES FEDERAL SAVINGS & LOAN ASSOCIATION is one of six Federal Savings in Florida observing a TWENTY-FIFTH ANNIVERSARY. It is the first in Palm Beach County and the 47th in the Nation, having received its charter on December 13th, 1933, under the Housing Act of 1933.

Eighteen stockholders paid in \$2500 and at the first meeting on Jan. 11, 1934 elected nine members to the Board of Directors. The permanent Board consisted of C. E. Reidel, President, Hugh J. Bratley, Secretary, A. E. Kirchman, Vice President, and Herbert D. Beck, Attorney.

The first line of Credit amounted to \$500 - it's now \$4,100,000 the first salary was \$4.50 per week, with directors receiving \$2.50 per meeting, and the first dividend paid in July of 1935, was 4%.

There was a limit of \$1500 on any one loan and the first loan was made on October 2, 1934 for five years in the amount of \$600.

PRESIDENT C. E. REIDEL presides over first active Board. Walter Hooker and Hugh J. Bratley, right, with A. E. Kirchman and Herbert D. Beck, left.

## What Is The Largest "Woman's Club" In Florida?

**913,800 Women Who Save Trading Stamps**  
Are The Largest "Woman's Club"  
In Florida

Every day about 913,800 Florida women make it a point to stop where they get trading stamps. This large group of smart, thrifty Florida shoppers, with their common interest in trading stamps, can be thought of as a huge "woman's club" with membership throughout the state. Of course this "club woman" gets wonderful things for her home and family through such favorites as S&H Green Stamps. Through her thrift and diligence she provides "extras" for her family. And although she may seldom think about it, her active saving is enormously good for business in our state.

This message is published as public information by The S&H and Green Stamps Company, originator 62 years ago of S&H Green Stamps.

## Home, Church And School Will Form Training Area For Future Citizens

By Roy L. Litchfield  
Asst. Principal and Dean  
B. G. High School  
(Editor's note: In this, the first of a series of articles to appear weekly in The Herald, Mr. Litchfield discusses some of the problems and solutions already in practice concerning the education and character development of our children.

Stellar Setture is to the third greatest institution of any

community or nation for the training and preparation of its own citizens to be future adult citizens, national, and world citizens.

To the Christian home we allocate the first place of importance in the training of future citizens. The home, when it accomplishes its intended purpose, indoctrinates its young people with those ideas and ideals of cooperation, respect for the

rights of others, submission to authoritative leadership, sacrificial living, and use of capabilities for the betterment of self and others.

In deference, we recognize the Christian church as the factor of second importance in implanting into the individual those characteristics of love, honesty, dependability, courtesy, and fair dealing, and in nourishing them in their development, to the end that they may control the activities of the individual to the end of his life.

### THE SCHOOL

Our school in some instances, and to say, is the only institution of training to which the youth of our land are exposed or in which they participate. Hence, this third ranking institution may become the sole influence with which young people may come in contact for instilling into them those traits which will determine whether or not our school citizens of today will be good citizens of tomorrow, or a cancerous growth contributing to the many diseases that afflict and defile society. The foregoing statements are assumed to be true in the light of two clearly contrasting circumstances, yet both are prime factors in the training of the young citizen training. In the first of these circumstances, the church has no opportunity to exert its influence upon some young people because it is an unknown quantity in their lives, either because of indifference of parents or the failure of the church itself to provide religious opportunities for them.

Secondly, the so-called home may provide for its children those activities and opportunities, either negligently or purposefully, which are degrading and demoralizing.

Let us observe, at this point, that there is nothing wrong with our youth of today that the teachings of the Christ and authoritative, loving, parental leadership can't cure.

### THE PROBLEMS

The problems and difficulties that confront our school are many. Such problems as lack of classrooms, better trained personnel, and facilities are greatly publicized in our newspapers and magazines, and on radio and television programs. We will leave these difficulties to the leading educators, publishers, and orators and treat only those most common problems of everyday school life.

Governor Aycock of North Carolina once said, "Every child has the right to burgeon out all that there is within him."

It is the specific task of our school to assist, aid, and help in every way possible each child who enrolls in it to do just that. It is not always the child of economically secure home that ranks highest in scholastic ability or possesses the best citizenship characteristics. Often these students from the lowest

income families, even sometimes from lower economic levels or the so-called broken homes, become valiant citizens and class presidents.

So it develops that, as in building a house, the best material is discovered only after careful scrutiny. So our school, in its program of helping students to burgeon out all that there is within them, has to critically and carefully study the strains and capabilities of all the children of all the people.

In some instances the training of the youth at a public home is diametrically opposed to that of school and/or church,

DEC. 11, 1959 THE HERALD, Belle Glade, Florida Page 11

to wit: home bars and buffets laden with all sorts of indulgences for the youth of the home.

### THE TRAINING

In some cases there is utter disregard for law and order. Sometimes the child observes parents who have become, in extreme instances, incapacitated, physically and mentally, from imbibing too freely from the contents of the bar or buffet. Children see parents and other grownups visit public bars and stores that dispense the stuff and in their minds see no harm in it or even may wish

to be like mother, father, Uncle Joe, or Aunt Mary. In this light let us not leave out the ever-tempting radio and television advertisements that picture these alurements so attractively to the young mind.

In contrast with the black picture above, let us ever and always thank God for Christian parents and Christian homes where the Bible is not dusty and family worship is practiced.

Next week: The writer invents some avenues of thought on the school-church-parent relationship.

## STOP THESE TOMATO FUNGUS DISEASES WITH ONE CHEMICAL...

Early Blight      Late Blight

## Spray Du Pont MANZATE

MANEB FUNGICIDE

Year after year, Du Pont "Manzate" helps more Florida growers produce higher yields of better quality tomatoes. That's because no other fungicide yet tested has done as well as "Manzate" in the control of early blight, late blight, grey leaf spot. With "Manzate" there's no need to switch from

one material to another... a simple, one chemical program covers the entire season. "Manzate" is mild on plants... permits maximum growth of healthy, vigorous vines and fruit. For the very best protection, spray Du Pont "Manzate"... the mostly widely used tomato fungicide in Florida.

"Manzate" is available in three convenient sizes. The 4 1/2-pound bag is just the right amount for 300-gallon sprayers. For 200-gallon sprayers, use the 3-pound bag size. Combine the two for 500-gallon tanks. Du Pont "Manzate" is also available in 50-pound drums.

On all chemicals, follow label instructions and warnings carefully.
